# CAUTION: STAND BACK AFTER INSTALLING WRESTLE WAR™

**W**restling fans aren't your ordinary sports fans. They boo harder, scream longer, and cheer louder. They also spend more money.

WRESTLE WAR isn't your ordinary video game kit, either. It contains more player controllable body slams, flying drop kicks, brain busters, and pile drivers than a month's supply of Big Time Professional Wrestling. The WRESTLE WAR cast of nine brawny bashers will satisfy the love/hate needs of the most avid wrestling fan.

#### The WRESTLE WAR Kit Features:

- Circuit Board
- Complete Wiring Harness (JAMMA Compatible)
- Bold Cabinet Graphics
- Twin Control Sets with Punch and Kick buttons and Motion Control Joy Stick
- In-Cabinet Control Panel with Volume Control, Service Switch, and Test Switch
- High Resolution, 3-D Graphics
- Continuous Play

Continuous play lets single players work their way through eight matches and eight colorful opponents. Or two players can kick, punch, and strangle their way through a three-minute, single-fall match. Stunning 3-D graphics put players directly in the middle of all the eye-gouging, head-stomping action.

WRESTLE WAR is a champion from start to finish.
